# Project Recap

Social Buzz, a rapidly growing tech unicorn, is gearing up for global expansion. To accelerate this journey, Accenture has launched a 3-month proof of concept (POC) focused on:

- Optimizing data practices for efficiency and scale.
- Strategic recommendations for a successful public debut.
- Identifying the top 5 most popular content categories.

# Problem

## Social Buzz: Content at Scale

- 100,000+ posts daily
- 36.5M pieces of content annually

With so much content, how do you maximize impact?
